

Complexity Science Courses offered at the Dutch Universities (Bachelor & Master)

Fundamentals of Complexity

Name	University
Complexity can it be Simplified?	Amsterdam
Networking	Delft
Self-organization of ecological and social systems	Groningen
Advanced Self-organisation of Social Systems	Groningen
Complex Network	Leiden
Complexity and Networks	Leiden
Introduction to Complex Systems	Utrecht
Complexity and Networks	Groningen

Computation & Modelling related to Complex Systems

Name	University
Complex System Simulation	Amsterdam
Social Network Analysis for Computer Scientists	Leiden
Modeling and Data Analysis in Complex Networks	Delft
Toy Models	Utrecht
Agent-based Modelling	Amsterdam
Agent-based Modelling of Complex Adaptive Systems	Delft

Management & Policy Complexity

Name	University
Policy Innovation in Complex Systems	Erasmus, Rotterdam
Dynamics of Complex Systems	Erasmus, Rotterdam

Biology

Name	University
Systems Biology	Utrecht
Theoretical Ecology	Utrecht
Computational Biology	Utrecht
Computational Biology	Amsterdam

Finance & Economics

Name	University
Computational Finance	Amsterdam
Complexity and Behavior	Amsterdam
Non-linear Economic Dynamics	Amsterdam

Workshops & Schools

[Critical Transitions in Complex Systems](#)

[ICMS Complexity Science Winter School 2017](#)

[Managing of Complexity](#)

[UU Complexity Summer school](#)

[Global Project and Change Management](#)

Other Educational Organisations

[Groningen Center for Social Complexity Studies \(GCSCS\)](#)

[Leiden Complex Networks Network](#)
